

## Approved Accelerated Master's Programs

ACCELERATED MASTER'S PROGRAMS	CORRESPONDING UNDERGRADUATE PROGRAM(S)	ACADEMIC UNIT
<b>Agricultural Education, MAE – Career &amp; Technical Emphasis</b>	Agribusiness Economics & Management, BS Agricultural Technology Management & Education, BS Animal Sciences, BS Environmental Science, BES Environmental and Water Resource Economics, BS Natural Resources, BS Plant Sciences, BS Sustainable Plant Systems, BS	Department of Agricultural Education
<b>Anthropology, MA</b>	Anthropology, BA/BS	School of Anthropology
<b>Architecture MS – Design and Energy Conservation</b>	Bachelor of Architecture	School of Architecture
<b>Atmospheric Sciences, MS</b>	Physics, BS	Department of Atmospheric Sciences
<b>Biochemistry, MS</b>	Biochemistry, BS	Department of Chemistry & Biochemistry
<b>Biomedical Engineering, MS</b>	Biomedical Engineering, BME Biosystems Engineering, BSBE Chemical Engineering, BSChE Systems Engineering, BSSyE	Biomedical Engineering Graduate Interdisciplinary Program
<b>Chemical Engineering, MS</b>	Chemical Engineering, BSChE	Department of Chemical & Environmental Engineering
<b>Civil Engineering and Engineering Mechanics, MS</b>	Civil Engineering, BSCvE	Department of Civil Engineering & Engineering Mechanics

<b>Communication, MA</b>	Communication, BA	Department of Communication
<b>Computer Science, MS</b>	Computer Science, BS	Department of Computer Science
<b>Ecology and Evolutionary Biology, MS</b>	Ecology and Evolutionary Biology, BS	Department of Ecology & Evolutionary Biology
<b>Electrical and Computer Engineering, MS</b>	Electrical and Computer Engineering, BSECE	Department of Electrical & Computer Engineering
<b>Engineering Management, MS</b>	Engineering Management, BSEMg Industrial Engineering, BSInE Systems Engineering, BSSyE	Department of Systems & Industrial Engineering
<b>Environmental Engineering, MS</b>	Chemical Engineering, BSChE Civil Engineering, BSCvE Environmental Sciences, BSES	Department of Chemical & Environmental Engineering
<b>French, MA</b>	French, BA	Department of French & Italian
<b>History, MA</b>	History, BA	Department of History
<b>Human Language Technology, MS</b>	Linguistics, BA Computer Science, BS* Management Information Systems, BSBA* Computational Linguistics Thematic Minor*	Department of Linguistics
<b>Industrial Engineering, MS</b>	Engineering Management, MSEMg Industrial Engineering, BSInE Systems Engineering, BSSyE	Department of Systems & Industrial Engineering
<b>Journalism, MA</b>	Journalism, BA	School of Journalism

<b>Management Information Systems, MS</b>	Management Information Systems, BSBA Operations Management, BSBA	Department of Management Information Systems
<b>Materials Science and Engineering, MS</b>	Materials Science and Engineering, BSMSE	Department of Materials Science and Engineering
<b>Middle Eastern and North African Studies, MA</b>	Middle Eastern and North African Studies, BA	School of Middle Eastern and North African Studies
<b>Molecular and Cellular Biology, MS</b>	Molecular and Cellular Biology, BS	Department of Molecular and Cellular Biology
<b>Microbiology, MS</b>	Microbiology, BS Veterinary Science, BS	Department of Veterinary Science & Microbiology
<b>Philosophy, MA</b>	Philosophy, BA Philosophy, Politics, Economics and Law, BA	Department of Philosophy
<b>Planning, MS</b>	Architecture, BArch Geography, BS Regional Development, BS	School of Landscape Architecture & Planning
<b>Psychology, MA</b>	Psychology, BA, BS	Department of Psychology
<b>Public Administration, MPA</b>	Public Management & Policy, BS - Criminal Justice Administration Political Science, BA	School of Government & Public Policy
<b>Systems Engineering, MS</b>	Systems Engineering, BSSyE	Department of Systems & Industrial Engineering
<b>* With approval of major/minor advisor.</b>
